

Sources of Technical, Safety, and Leadership Training for Hydrocarbon Measurement Specialists

➤ **Technical Training**

○ **Schools and Service Companies**

- **American School of Gas Measurement Technology** - <http://asgmt.com/>
- **CCAMS Hydrocarbon Measurement School** - <http://www.ccams.info/>
- **CEESI (Colorado Engineering experiment Station, Inc.)** -
<http://www.ceesi.com/training>
- **Flow-Cal** - <http://flowcal.com/services/training/> ,
<http://flowcal.com/flowcal-university-training-courses/>
- **Gas Certification Institute** - <http://www.gascertification.com/>
- **Gas Technology Institute** -
<http://www.gastechnology.org/Training/Pages/Natural-Gas-Field-Skills-Training.aspx>
- **International School of Hydrocarbon Measurement** -
<http://www.ishm.info/>
- **Oil and Gas Training (ONGT)** - <http://www.ongt.net/training-courses.html>
- **Petex** - <http://www.utexas.edu/ce/petex/courses/natural-gas-measurement-fundamentals/>

○ **Equipment Manufacturers**

- **ABB Total Flow** - <http://new.abb.com/products/measurement-products/service/training>
- **Emerson Process Management** -
<http://www.emersonprocess.com/virtualclassroom/>
- **FMC Technologies** -
<http://fmctechnologies.com/en/MeasurementSolutions/CustomerSupport/TrainingWorkshops.aspx>

- **Honeywell** - <https://www.honeywellprocess.com/en-US/training/Pages/default.aspx>
- **Omni Flow Computers** - <http://www.omniflow.com/training/Training>

- **Safety Training**
 - **Oilfield**
 - **American Petroleum Institute** - <http://www.americanpetroleuminstitute.com/Events-and-Training>
 - **Energy Training Solutions** - <http://www.energytrainingsolutions.com/index.html>
 - **Houston Area Safety Council** - <http://www.hasc.com/site/training.htm>
 - **Defensive Driving**
 - **J. J. Keller and Associates** - http://www.jjkeller.com/shop/Category/content_category_Transportation_issues_Training_10151_-1_10551
 - **Smith System** - http://www.smith-system.com/training_solutions/on_the_road/
 - **Texas Department of Transportation** - <http://www.txdot.gov/driver/share-road/be-safe-drive-smart.html>

- **Leadership Training**
 - **Jill Hickman Companies** - <http://www.jillhickman.com/corporate-solutions/coaching/>

- **Whitepapers**
 - **American School of Gas Measurement Technology** - <http://asgmt.com/paper/>
 - **CEESI** - <http://library.ceesi.com/>
 - **Coastal Flow Measurement Company** - <http://www.coastalflow.com/Resources%20Webpage/WhitePapers.asp?id=400>

- **Emerson Process Management** - <http://www2.emersonprocess.com/en-US/brands/micromotion/industries/oil-and-gas/Pages/Oil-Gas-White-Papers.aspx>
- **Facility Executive** - <http://facilityexecutive.com/energy-measurement/publications/>

The training resources listed above may be of interest and potential assistance to you. These are organizations that the Coastal Flow Measurement family of companies has relied on in the past, including for some of our own training programs. We recognize that there are many other highly qualified and respected training centers and services throughout the industry, and we welcome your feedback on those you recommend.
